

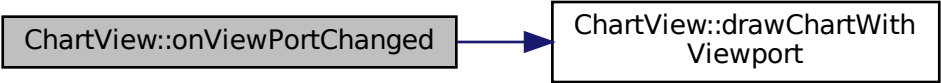

ChartView::onViewportChanged

```
graph LR; A[ChartView::onViewportChanged] --> B[ChartView::drawChartWithViewport]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'ChartView::onViewportChanged'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'ChartView::drawChartWithViewport' on two lines.
