

BacktestWorker::run

```
graph LR; A[BacktestWorker::run] --> B[PyBindingManager::runPython Backtest];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'BacktestWorker::run'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'PyBindingManager::runPython' on the top line and 'Backtest' on the bottom line.
